NARAL Pro-Choice California is dedicated to protecting and expanding reproductive freedom for all people. For over 50 years, NARAL Pro-Choice America has fought to protect and advance reproductive freedom at the federal and state levels—including access to abortion care, birth control, pregnancy and post-partum care, and paid family leave—for every body. NARAL is powered by its 4 million members, including more than 370,000 members in California, representing the 8 in 10 Americans who support legal abortion.

NARAL fights to elect champions for reproductive freedom to federal and state office, and takes positions on ballot measures that pertain to reproductive freedom.
